With more than 50 years of experience, Saïda has always demonstrated a unique know-how that has allowed it to become and remain a leader in the national market, as well as to develop internationally through its own brands or the brands of its partners.

The careful selection of the best ingredients, the craftsmanship and the implementation of exclusive production technology allows us to offer the consistent quality for which «Made in Italy» is known.

Starting from the traditional recipes inherited from «Grandma Pepa» and selecting the freshest raw materials from suppliers, Productos Arenas has arrived through a modern manufacturing process, technological and control in all its phases, to obtain very high quality products.
